One of the best features of the Addictive Drums is how it allows you to create your own customized drum kits. This file contains about 80 presets which are divided into 6 categories. The categories are Drums, Keyboard Drums, Percussion, Bass Drum Rides, Cymbals, and Classical Contemporary. All in all there are 880 presets included in this download which allows you to easily find something that might match your particular style while giving you plenty to explore while having fun with all of them.

There's so much to explore! Write an introduction to an informative and factual blog post titled "The New York Times - Guest Post: How Writers Use Humor". Write an introduction to an informative and factual blog post titled "The New York Times - Guest Post: A Tribute to Richard Harris". Eric Watson is a professional drummer and a published author.

He also writes for Drummer Magazine.

He also writes for Kickin' It.

He also writes on his blog.

His first book, "Drumming for Beginners", was published on May 15, 2010 by Hal Leonard Corporation. His second book, "Drumming for Massive Bases", was published on March 31, 2013 by Hal Leonard Corporation.

"Paste Magazine" gave the album a score of 7 out of 10 and said that although the album is "one of those self-indulgent 'hey you're all my friends so let's party over one of my albums' records," it still has its moments and one or two tracks are even worth listening to over and over again. "Paste Magazine" gave the album a score of 6.7 out of 10 and said that "the more Foo Fighters albums you listen to, the harder it is to get excited about their latest release. But not so for "Sonic Highways": while some sections are too long and rambling or meandering, they're usually on point enough to keep you listening." With that in mind, they also added that "every few tracks there's an actual solid cut ready to blow your pants off.
